Our company

The company cora services gmbh was founded in May 2004 and has its head office in Chur / Switzerland.

Our field of activity reaches from the sales of spare parts for different industries, over sales and consulting of plants for industrial gases and synthetic fibres as well as for cooling water plants.

Further we recommend ourselves as your partner for your web project. We elaborate proposals and realise solutions for professional websites.

We also support you for your next business trip or any private holiday journey. We will be glad to share our long year travel experience with you, in order you will have a pleasant stay at your preferred destination.

Do not hesitate to contact us via phone, fax, e-mail or simply fill out the contact form available on this site.
